A day at Tube World brings memories of childhood sled rides rushing back. Kids of all ages enjoy tubing, perfect for a family or group outing. Better yet, you never have to walk back up the hill – simply step on our carpet lift and let it do the work. Before you know it, you're back at the top of the hill for another run. We

apply the same snowmaking science and grooming at the snow tubing park as we do at the Ski Area, so you can always count on a quality sliding surface. Tube World also has the Wee Bowl Snowplay Area for the young ones who don't make the height requirement of 42 inches.

The cost for snow tubing is \$25 per person for a 1 3/4 hour session. Sessions begin every 2 hours. The Wee Bowl Snowplay area is \$5 per person for a session. There is a 42 inch minimum height requirement for snow tubing. Only Tube World equipment may be used. No two-person tubing allowed. Tube World supplies kiddie tubes for the Wee Bowl Snowplay area.
